

P.S.C. No. 9 Electricity
Village of Freeport
Initial Effective Date: 05/15/2010

Leaf: 7
Revision: 0
Superseding Revision:

II. DEFINITIONS OF TERMS: (Continued)

AD. Subdivision: A tract of land divided into lots for the construction of new buildings or the land on which new multiple-occupancy buildings are to be constructed, either of which has been approved or was required to be approved by appropriate governmental authority having jurisdiction over land use as defined by 16 NYCRR §98.1.

AE. Tampered Equipment: Any service related equipment or wiring that has been subjected to unauthorized interference so as to reduce the accuracy or eliminate the measurement of the Village's service or an unauthorized connection occurring after the Village has physically disconnected service.

AF. Underground Residential Distribution (URD): The total underground installation of a complete electric distribution system in any residential development of four or more dwelling or building units, or to any other residential complex for which the Customer desires or is mandated by a local governmental entity as a condition of approval.

AG. Village refers to the Electric Department of the Inc. Village of Freeport.

III. HOW SERVICE MAY BE OBTAINED:

Any applicant whose premises may be served from suitable existing distribution lines of the Village without line or service extensions can obtain electric service by applying to the office of the Village or with any of its duly authorized representatives, and by complying with all other requirements of this Schedule.

A. Application for Service - Residential: These provisions are intended to reflect the requirements of 16 NYCRR §11.3.

1. A residential service application may be oral or written. An oral application for service shall be deemed complete when the applicant provides his or her name, address, telephone number and address of prior account (if any) or prior account number (if any).
2. The Village may establish non-discriminatory procedures to require an applicant to provide reasonable proof of the applicant's identity. Service may be denied to applicants who fail to provide reasonable proof of identity.
