

PSC NO: 15 ELECTRICITY

LEAF: 163.5.7

COMPANY: CENTRAL HUDSON GAS &amp; ELECTRIC CORPORATION

REVISION: 0

INITIAL EFFECTIVE DATE: 08/1/10

SUPERSEDING REVISION:

Issued in Compliance with Order in C.09-E-0310 dated July 27, 2009

**36. OTHER CHARGES AND ADJUSTMENTS** (Cont'd)**H. Electric Delivery and Energy Reliability (EDER) Surcharge** (Cont'd)**2. Determination of EDER Surcharge**

The EDER surcharge will be calculated as the sum of the revenue requirement, any over/under recovery and any true-up amount divided by forecasted energy deliveries. The EDER surcharge will be stated in whole \$0.00001 amounts per kilowatt-hour and will be the same for all applicable Service Classifications.

**3. Statement of EDER Surcharge**

Not less than fifteen days prior to a proposed change in the EDER surcharge a Statement showing the EDER and the effective date will be filed with the Public Service Commission apart from this Schedule. When a proposed change in the EDER surcharge results from the placement of a project into service, the filing will include an identification of the project, capital and operating costs, in-service date and will, to the extent available, include data regarding the total number of jobs created or retained and the extent to which New York State businesses were utilized to complete the project.

**4. EDER Adjustment with Changes in Base Rates**

Whenever the Company implements changes in base rates as the result of a final Order issued by the PSC in an electric rate proceeding, the EDER surcharge shall be adjusted to remove all costs that have been included in base rates. To the extent any over/under recovery and/or any true-up amount remains, the amounts will be deferred for future disposition pursuant to PSC direction.
