SERVICE CLASSIFICATION NO. 9 (Cont'd)

INTERRUPTIBLE TRANSPORTATION/STANDBY SALES SERVICE (Cont'd)

CHARACTER OF SERVICE

1. Transportation service of interruptible customer-owned gas for which the customer has arranged to have transported to a delivery point at the boundary of the Company's service area. The Company shall control the dispatch of such gas, and dispatch shall be provided as requested by the customer, conditioned on the availability of the Company's system capacity.
2. Standby sales of interruptible gas, owned by the Company, having a monthly average heating value of not less than 1,000 Btu. per cu. ft., delivered at a pressure agreed upon by the customer and the Company, but not in excess of the pressure available at the point of delivery. The Company shall control the dispatch of such gas, conditioned on the availability of gas supplies and system capacity.

MONTHLY RATE

The monthly rate billed to customers under this Service Classification will be comprised of two components: (1) a Transportation Rate and (2) a Balancing Service Charge, both as defined below.

1. **Transportation Rate**

Customer's transportation rates will be determined on the following basis:

Category 1 - No. 6 Oil, 1.5% Sulfur Content or Higher
Category 2 - No. 6 Oil, Less than 1.5% Sulfur Content and No. 4 Oil
Category 3 - All others

A. **Monthly Rate Option**

Customer Charge \$17 per month

The rate per 100 cu. ft. shall be established for each interruptible customer category, at the Company's discretion, and shall be applied to all gas transported under each interruptible category.

The rate shall not be less than \$.010 per 100 cu. ft. or more than the firm transportation rate applicable to customers under Service Classification No. 6. This rate will be determined on the date described in Special Provision Section 9.1.
