If the Customer consumed more gas than delivered to the Company for his account, the excess shall be purchased by the Customer at the Company's Monthly Cash Out Price for the same period. If the Customer consumed less gas than delivered to the Company for his account, the shortfall shall be credited to the Customer at the Company's Monthly Cash Out Price for the same period.

#### **Return on Storage Surcharge**

Rates for transportation service under this Service Classification shall include each month the Return on Storage Surcharge for Service Classification Nos. 1A, 1AR, 1B, 1BR, 2-1, 2-2, 3, 4A, 4A-CNG, 4B, 7, and 21.

The projected monthly **Return on Storage Surcharge** shall be computed in December 2006 for the Partial Gas Cost Year, and thereafter every August for the following Gas Cost Year for inclusion in the monthly billing for the following Gas Cost Year, shall be computed as follows:
