The total amount of all rates and charges shall be increased by an Effective Aggregate Percentage factor determined by dividing the applicable aggregate percentage rate of taxes by 100% minus the applicable aggregate percentage rate of taxes. The resulting Revenue Tax Surcharge shall be set forth on a statement filed with the Public Service Commission and will be subject to adjustment whenever the State or City of New York levies a new tax on the Company's gross revenues, repeals such a tax, or changes the rate of such tax. Every such statement shall be filed not less than fifteen (15) business days before the date on which the statement is proposed to be effective, shall become effective no sooner than the date when the tax enactment is filed with the Secretary of State; shall be applicable to bills subject to the tax enactment that are rendered on or after the effective date of the statement; and shall be canceled not more than five (5) business days after the tax enactment either ceases to be effective or is modified so as to reduce the tax rate. A copy of the statement in effect will be available to the public at Company offices at which applications for gas service may be made.
