SERVICE CLASSIFICATION NO. 11**APPLICABLE TO USE OF SERVICE FOR:**

Qualified Sellers ("Sellers") of natural gas, or Direct Customers, who transport the volume of natural gas specified by the Company to various pipeline delivery points that interconnect with the Company's distribution system, for receipt and redelivery of the transported volume by the Company on a firm basis to the firm transportation customer(s) pursuant to Service Classification No. 6. For the period of November 1 through October 31 of each year ("capacity release period"), Sellers may elect to serve their firm customers needs by (1) using interstate pipeline capacity released by the Company pursuant to the provisions of Capacity Option A - Capacity Released by the Company set forth below; (2) contracting with one or more pipeline(s) for firm, non-recallable, primary delivery point capacity pursuant to the provisions of Capacity Option B - Capacity Released by Third Parties set forth below; or (3) using a combination of (1) and (2).

Service under Service Classification No. 11 is available pursuant to the terms and conditions set forth herein, the Company's Gas Transportation Operating Procedures, and the UBP. In the event of any conflict between the provisions of this Service Classification and the provisions of the UBP, the UBP shall control. In order for a party to qualify as a Seller, it must meet the eligibility and creditworthiness requirements set forth in the UBP and must execute an Application for Service. A Seller must comply with the UBP for all customers it serves. The Company may cease to provide service to a Seller in accordance with the Company's Gas Transportation Operating Procedures and for any reason specified in the UBP. A Seller providing services to residential customers must comply with the Commission's orders issued in Case Nos. 99-M-0631 and 03-M-0017 implementing Chapter 686 of the Laws of 2002.

CHARACTER OF SERVICE:

Continuous receipt of Sellers' or customer-owned gas for subsequent delivery by the Company to customers participating in the Company's Gas Transportation Service Program described in Rider A and taking service under Service Classification No. 6.

RATE:

Rates and charges pursuant to this Service Classification are as specified under "Capacity Options For Sellers", Winter Bundled Sales Service Option", and under Special Provisions A, C, E and J. Sellers are also subject to the charge set forth in General Information Section 6.5 (2) (b) Utility Single Billing Service.
