PSC No:4 Gas   Leaf: 137
Corning Natural Gas Corporation   Revision: 2
Initial Effective Date: 06/01/2006   Superseding Revision: 0
                                                 Revision 1 Cancelled

Service Classification No. 5

Applicable to Use of Service For:
        Outdoor gas lighting service to post standards owned and installed by
        the customer prior to November 9, 1978. Service to such units may be
        terminated in accordance with General Information Rule 19.G, unless
        exempted by the Company.

Character of Service:
        Continuous, unmetered, 24 hour burning service, with straight natural
        gas - approximately 1000 BTU per cubic foot at approximately 9 inches
        pressure.

Rates:
        Customer will be billed monthly in accordance with the following
        schedule, on the basis of the appliance name-plate hourly input rating,
        for lights with rating of 2.5 cu. ft. or less per hour.

                                                 Rate
        For each 100 cu, ft, or month $0.21206

        Note: Lights rated in excess of 2.5 cu. ft. pr hour must be metered.

Gas Adjustment Clause:
        The charges set forth herein shall be subject to a gas supply charge
        per 100 cubic feet of gas supplied as explained on Leaf No. 71

Increase in Rates and Charges:
        The rates and charges under this Service Classification, including gas
        supply, will be increased pursuant to General Information Rule 12-K for
        service supplied within the municipality where the customer is taking
        service.

Delivery Rate Adjustment
The charges set forth herein shall be subject to a Delivery Rate Adjustment
per 100 cubic feet of gas supplied as explained on leaf No. 75.

Term:

        Service will be disconnected upon ten days written notice by customer.

Special Provisions:
        1.   The customer shall own, install and maintain the post, lamp
                fixture and mantles.

        2.   The company will provide and set a regulator and stopcock for
                each post lighting installation.

"Issued under Authority of PSC Order dated May 22, 2006 in Case No. 05-G-
1359"
