Superseding Revision: 0

SERVICE CLASSIFICATION No. 8

MISCELLANEOUS SERVICE

Applicable to the following classes of miscellaneous service throughout the entire territory.

(a) Damaged or Tampered Meters

For any meters damaged by freezing, hot water, or external causes or subjected to unauthorized interference so as to reduce the accuracy or eliminate the measurement of service, the Customer is responsible for the cost of repairs.

(b) Hydrant Flow Tests

For all work and labor performed and all materials furnished by the Company for any of the above-captioned services, a fee of \$97.63 will be charged to the Customer or party requiring such service unless otherwise provided in this Tariff.

(c) Bad Check Charge

Should the Company receive a negotiable instrument from the Applicant or Customer in payment of any bill, charge or deposit and such instrument be subsequently dishonored or be uncollectible for any reason, the Company shall charge the Applicant or Customer a handling charge of \$11.00.

(d) Restore Charge

For restoration of service as described on Leaf 65, Restoration of Service Charge, the Customer or party requiring such service will be charged \$ 48.51 during normal working hours (8:00 am to 4:30 pm) and \$82.80 for any time after normal working hours.

(e) A late payment charge of 1.5% per month will be imposed on outstanding unpaid balances, beginning as of twenty (20) days following the date the bill is due. This late payment charge is applicable to metered and non-metered Customers in all service classifications. During the first year of implementation of the charge, the company shall waive the first late payment charge assessed on any Customer receiving service under all service classifications when a Customer questions the charge. The late payment charge will not be assessed on the total balance due under deferred payment agreements.

Issued in compliance with the Commission Order 06-W-0131 dated December 14, 2006.
