

PSC No. 1 – Electricity
Village of Akron
Initial Effective Date: 7/1/08

Leaf No.: 10
Revision: 2
Superseding Revision: 1

SERVICE CLASSIFICATION NO. 5
Private Outdoor Lighting

APPLICABLE USE:

Driveways, roadways, parking areas and protection of property. Monthly charges are assessed at a flat rate per fixture.

CHARACTER OF SERVICE:

Unmetered service for a limited period, dusk to dawn illumination, approximately 4000 hours per year, 60 cycle alternating current at approximately 120/240 volts.

MONTHLY RATE:

Facilities Charge, per unit:	<u>Rate</u>
100 watt high pressure sodium unit	\$4.79
150 watt high pressure sodium unit	\$6.26
250 watt high pressure sodium unit	\$7.34
400 watt high pressure sodium unit	\$13.73

SPECIAL PROVISIONS:

- A. Upon application, the Village will furnish, install, own, operate and maintain a photo-electrically controlled high pressure sodium luminaire complete with bracket, ballast and lamp at the wattage desired under the rate charge designated. The Village shall furnish a service span of 100 feet. Where the service span exceeds 100 feet, the customer shall pay for the additional cable used.
- B. The lighting unit will be installed only on private property owned or leased by the customer. The customer shall furnish the necessary pole or other support, except as noted hereinafter, and which shall provide a proper mounting height for appropriate light distribution from the unit. Where a Village pole is appropriately located on the premises, the Village may waive the requirement that the support be furnished by the customer and install the unit on its own pole.

TERM:

One year from date of installation and thereafter from year to year until cancelled upon thirty (30) days written notice.

Issued by: Daniel P. Borchert, Clerk – Treasurer, 21 Main Street, Akron, NY 14001
