PAYMENT AGREEMENT RULES

- * This agreement must be fair and must be based on your ability to pay.
- * Information regarding your income and expenses is attached hereto and incorporated herein as Exhibit A. You certify that Exhibit A is true and accurate to the best of your knowledge.
- * If you are unable to pay on these terms, you should not sign this agreement. Instead, call us or come to our office.
- * If you can show financial need, alternate terms will be arranged. Depending on your circumstances, a down payment may not be required and installments may be as low as \$10 per month.
- * This agreement can be changed if your ability to pay significantly changes for reasons you cannot control. If a change is needed, please call us or come to our office.
- * If you are a recipient of public assistance or supplemental security income, you may be eligible for help in paying your utility bills. If so, you may wish to call or visit your local Social Services office.
- * Late payment charges will not be assessed so long as your required payments under this payment agreement plus all current charges are paid monthly by the late payment date.
- * Current charges (including late payment charges if your deferred payment agreement has defaulted) are to be paid monthly.

WHAT HAPPENS IF PAYMENTS ARE NOT MADE

It is your responsibility to make the payments noted above in a timely fashion, or your deferred payment agreement will default and you will be subject to a late payment charge on everything you owe to National Fuel and the possible loss of gas service. You will receive a reminder notice telling you that payments must be made pursuant to this payment agreement, and you will be provided with a minimum of eight (8) days to make up your missed payment. If we still do not receive these payments or your regular bill payments on time, we can require you to pay the total amount owed on your account. The Company will send you a final notice of disconnection allowing you fifteen (15) days to pay before service is turned off.
