STAMPS: Issued in compliance with order in Case 06-G-1185 dated December 21, 2007

SERVICE CLASSIFICATION No. 18 - Continued

Rate Schedule 2:

The rate for service under this service transportation will be set forth in the NCT Service Agreement negotiated between the Company and the Customer and appropriate contract addendum filed with the Public Service Commission. Negotiated contracts at similar overall terms shall be available to all similarly situated customers. The minimum rate charged must be sufficient to recover all incremental costs incurred to serve the customer and to provide a reasonable contribution to fixed costs. Redeliveries under this Rate Schedule may be made at either the meter of the Customer's facilities in the service territory or at a delivery point outside the Company's service territory, as agreed to by the Company and Customer.

NCTS 6C and 6G - Temperature Controlled Transportation Service

Rate Schedule 1:

A monthly charge equal to:

The first 10 therms or less: \$187.37

All over 10 therms: The net margin per therm, net of applicable taxes, which is computed by subtracting the Temperature Controlled cost of gas per therm, as explained on Leaf No. 74, from the monthly posted variable rate per therm in effect for the applicable service classification and consumption rate schedule for Temperature Controlled sales service, including a \$.046/therm demand charge.

Rate Schedule 2:

A monthly charge equal to:

The first 10 therms or less: \$292.32

All over 10 therms: The net margin per therm, net of applicable taxes, which is computed by subtracting the Temperature Controlled cost of gas per therm, as explained on Leaf No. 74 from the monthly posted variable rate per therm in effect for the applicable service classification and consumption rate schedule for Temperature Controlled sales service, including a \$.046/therm demand charge.
