## SERVICE CLASSIFICATION No. 19

SUPPLIER TRANSPORTATION, BALANCING AND AGGREGATION - Continued

When a Supplier's Customers are returned to the Company or transfer to another Supplier, the Supplier will be required to sell, and the Company will be required to purchase, inventory (or volume) according to the pricing methodologies set forth above and in amounts sufficient to serve Customers based upon the following SOM percentages for the months during which Customers are returned.

<u>Return</u> <u>Month</u>	<u>Inventory</u> <u>Return</u> <u>Requirement</u>
April	0.00%
May	14.00%
June	29.00%
July	43.00%
August	57.00%
September	71.00%
October	86.00%
November	100.00%
December	80.00%
January	60.00%
February	40.00%
March	20.00%

Whether a Supplier returns Customers to the Company or surrenders Customers to another Supplier, if the quantity of capacity associated with such Customers does not decrease a Supplier's capacity requirement by at least 2% (on a calendar month basis), then the existing capacity allocation will remain unchanged.

Also, the Supplier shall be required to provide the Company with the permission necessary to allow the Company to obtain access to the Supplier's storage balance information for the release described above.
