A Capacity Release Seller must obtain the Company's interstate pipeline capacity for all of its Firm Customers' total Maximum Daily Quantities ("MDQs") commencing November 1, and extending to October 31 of each year (the "capacity release period").

- (b) For a Customer taking the Daily Cashout Service, the Customer's historical peak day quantity during the Winter Period.

(B) Increasing or Decreasing Released Capacity

If a Seller has a net increase or decrease in its firm load (as confirmed by the Company), after the date the Seller executes the Capacity Release Service Agreement hereunder for a capacity release period, the Company will release to the Seller or recall from the Seller such capacity to meet that net increase or decrease, to the extent that additional capacity is available.

Deadlines for executing a Capacity Release Service Agreement for each capacity release period will be communicated directly to Capacity Release Sellers or will be set forth in the Company's GTOP.
