GENERAL INFORMATION

16. General Retail Access: (Cont'd.)

D. Eligible Customer Participation: (Cont'd.)

1. Eligibility Requirements:

Eligibility to participate in General Retail Access is open to all customers subject to requirements set forth in Section Nos. 16 (General Retail Access) and 25 (Supply Service Options.)

- (a) For customers taking service under an economic incentive provision (EDI, EDZI, ERI, IDI, ILI or SGDI), the Company will bill such incented or discounted load at the applicable rate option as specified in the applicable Special Provision for Economic Incentives of the respective service classifications, subject to Section 25, Supply Service Options. The non-incented or non-discounted load may be served under any Supply Service Option, subject to Section 25, Supply Service Options.
- (b) Customers who choose to relinquish their incentive will take service under a Supply Service Option as specified in their individual service classification and subject to Section 25, Supply Service Options.
- (c) Customers whose entire load is served under NYSEG's SGDI or Service Classification Nos. 13 or 14 may be eligible for retail access after their contracts expire, unless their contracts with NYSEG permit such customer to become eligible earlier. Upon expiration of such SC 13 or SC 14 contracts, customers may be eligible to select any Supply Service Option in accordance with Section 25, Supply Service Options.

Issued in compliance with order in Case No. 07-E-0479 dated 08/29/07.
