

PSC NO: 12 GAS LEAF: 126
COMPANY: CENTRAL HUDSON GAS & ELECTRIC CORPORATION REVISION: 12
INITIAL EFFECTIVE DATE: 12/01/08 SUPERSEDING REVISION: 10
Issued in Compliance with Order in C.05-E-0934 & 05-G-0935 dated November 13, 2008

42. OTHER CHARGES AND ADJUSTMENTS

A. Supplemental Benefit Credit

During the 2008/2009 HEAP Plan Year (commencing November 3, 2008), each residential customer who receives a HEAP benefit for their Central Hudson bill and is enrolled in, or eligible for, Central Hudson's Enhanced Powerful Opportunities Program will receive a one-time supplemental benefit credit of \$300 applied to their Central Hudson account. A one-time supplemental benefit credit of \$200 will be applied to the accounts of all remaining HEAP recipients during the 2008/2009 HEAP Plan Year. Each customer will be entitled to only one supplemental benefit credit regardless of whether the customer takes electric and gas service from the Company.

The provision of supplemental benefit credits will be funded from the balance of surplus funds in the Interim and Enhanced Powerful Opportunities Programs.

The provision of supplemental benefit credits complies with the New York State Public Service Commission's Orders in Case Nos. 05-E-0934 and 05-G-0935 issued and effective November 13, 2008.

B. Merchant Function Charge (MFC)

The Merchant Function Charge (MFC) is a charge designed to reflect the costs the Company incurs associated with the procurement and provision of natural gas supplies. The MFC includes cost-based components to represent commodity-related purchasing, credit and collection, call center costs, advertising and promotions, and related Administrative and General (A&G) expenses and rate base items allocated to each of the aforementioned components.

MFC Groups

Effective July 1, 2007 two MFC groups will be implemented:

MFC 1 - Service Classification Nos. 1, 12 and 16

MFC 2 - Service Classification Nos. 2, 6 and 13

MFC Tiers

Each MFC group will be sub-divided into a MFC Administration Charge and a MFC Supply Charge as follows:

The MFC Administration Charge, also referred to as MFC_A in the Joint Proposal in Case 00-G-0935, as approved by the Public Service Commission in its Order issued and effective July 24, 2006, will include an allocated portion of credit and collection function costs and fifty percent of procurement-related call center function costs, plus A&G and rate base items associated with each component.

The MFC Supply Charge, also referred to as MFC_B in the Joint Proposal in Case 00-G-0935, as approved by the Public Service Commission in its Order issued and effective July 24, 2006, will include commodity purchasing function costs, allocated portions of advertising and promotions function costs and fifty percent of procurement-related call center function costs, plus A&G and rate base items associated with each component.
