

PSC NO. 3 GAS
St. Lawrence Gas Company, Inc.
Initial Effective Date: 03/03/2009

Leaf: 32
Revision: 1
Superseding Revision: 0

GENERAL INFORMATION

2. General Rules, Regulations, Terms and Conditions: (Cont'd)

II. How Service May Be Obtained: (Cont'd)

G. How Service May Be Obtained: (Cont'd)

3. Any customer who has installed outdoor lighting which uses natural gas since November 9, 1978 must discontinue using natural gas for this lighting immediately. Municipal customers who installed outdoor lighting which uses natural gas prior to November 9, 1978 may continue receiving gas for outdoor lighting until January 1, 1982. Residential customers who installed outdoor lighting which uses natural gas prior to November 9, 1978 may continue receiving gas for outdoor lighting. Industrial and commercial customers who installed outdoor lighting which uses natural gas prior to November 9, 1978 must discontinue using this lighting by November 5, 1979. Exceptions from these rules may be granted by the company in accordance with the guidelines set forth in the Public Service Commission order issued April 14, 1981 in Case 27626.

H. Meter Location:

Meters shall be located in reasonably accessible and convenient positions and all new meters shall be installed outdoors whenever feasible.

I. Meter Access:

It is the responsibility of the customer to provide access to the gas meter.
