

PSC NO. 4 GAS

ORANGE AND ROCKLAND UTILITIES, INC.	LEAF:	82
INITIAL EFFECTIVE DATE: December 26, 2008	REVISION:	8
	SUPERSEDING REVISION:	7

GENERAL INFORMATION

12. ADJUSTMENT OF RATES IN ACCORDANCE WITH CHANGES IN THE COST OF GAS (Cont'd.)

12.4 Merchant Function Charge (MFC) (Cont'd.)

(B) Fixed MFC Components (Cont'd.)

These fixed MFC components shall remain in effect until changed by an order of the Commission.

(C) Determination of MFCs

The MFCs applicable to Service Classification Nos. 1 and 2 customers shall be the sum of (1) the applicable fixed MFC components set forth; (2) a per Ccf charge, determined in accordance with General Information Section 12.2 (D) of this Rate Schedule, to recover gas in storage working capital costs associated with firm sales customers; and (3) the applicable monthly uncollectibles charge ("UC charge") per Ccf to recover the cost of commodity-related uncollectibles.

The monthly UC charge component of the MFC described in (3) above shall be based on the Gas Supply Charge ("GSC") determined in accordance with General Information Section 12.2 of this Rate Schedule and the uncollectibles percentage ("UC percentage") applicable to Service Classification No. 1 and the UC percentage applicable to Service Classification No. 2. The UC percentages shall be reset annually effective November 1 based on the Company's actual uncollectibles experience for the twelve month period ended the previous June 30 applicable to all electricity and gas customers eligible for the Company's Purchase of Receivables Program. The UC percentages effective for the twelve-month period commencing November 1, 2009 are 0.340 percent applicable to Service Classification No. 1 and 0.037 percent applicable to Service Classification No. 2. The UC charge component of the MFC shall be determined using the following formula rounding to the nearest 0.001 cents per Ccf:

$$\text{UC Charge} = \text{GSC} / (1 - \text{applicable UC percentage}) - \text{GSC}$$

(D) Reconciliation of Fixed MFC Components

Revenues associated with the fixed MFC components shall be reconciled annually in accordance with the operation of the Transition Adjustment for Competitive Services, as set forth in General Information Section 12.2 (B) of this Rate Schedule.
