2. If the Company believes that a Customer or Applicant has the resources available to pay the bill in full or where the Company and Customer are unable to agree on a payment agreement covering amounts that exceed the cost of twice the Customer's average yearly usage, either the party may seek a determination from the Commission or its designee in accordance with the following procedure:
 - (a) The Company will immediately notify the Customer or Applicant and the Commission or its designee of its position;
 - (b) The Company will give the Customer or Applicant written notice summarizing the procedures under this paragraph in clear and understandable language;
 - (c) Until a determination is made by the Commission or its designee, the Company will postpone any termination activity, and restore service or provide service if so directed by the Commission or its designee, as long as the Customer or Applicant pays current bills and terms of a payment agreement established by the Commission or its designee.
