### GENERAL INFORMATION

- connected thereto; said surcharge to be paid ratably at the end of each regular billing period, provided, however, that said surcharge shall begin at the date when water service is first available to the Applicant and shall cease ten years from that date;
- (b) Whenever more than one Customer shall be connected to said extension, said surcharge shall be so adjusted as to yield to the Corporation not more than said twelve percent in any one year from all Customers served from said extension and said surcharge shall be reasonably allocated to the several Customers served from said extension, taking into account that 75 feet of main and service are to be allowed without surcharge for each Customer and 20 feet of main allowed without surcharge for each hydrant connected thereto; and
  - (c) Whenever the number of Customers on a main extension multiplied by 75 feet plus the number of hydrants on the same extension multiplied by 20 feet shall equal or exceed the length of the main extension, or whenever the total revenue in one year from all Customers on the main extension shall exceed one-fourth of the total cost of said main extension, said cost to be the actual or estimated cost as provided in subparagraph A, all surcharges shall cease; and no surcharge shall be imposed if the total estimated revenue in one year shall exceed one-fourth of said total actual or estimated cost as provided in subparagraph A; and
3. that he shall first have furnished reasonable security as to performance of his agreement if so required by the Corporation.
- D. That portion of the service pipe without the limits of a street, avenue, road or way as hereinbefore defined or easement area shall be provided, placed, constructed and maintained by the property owner or the Customer but in accordance with such reasonable specifications for the construction and maintenance thereof as may be filed in the tariff schedules of the Corporation.
- E. Whenever, at the request of an owner or occupant, a service pipe is provided through which service is not immediately desired, said property owner or occupant shall bear the entire reasonable expense of providing, placing and constructing the service pipe and accessories, but he shall be entitled to a refund whenever water service is begun for such part of the expense as the Corporation is hereinbefore required to assume. Such refund shall be the cost of said service pipe and accessories, less depreciation at the rate of 3 percent per annum for the period which said pipe has been in the ground.
- F. The Corporation shall hereafter be solely responsible for the maintenance and replacement of all mains, service pipes and facilities within a street, avenue, road or way as hereinbefore defined or easement area used by the Corporation for supplying water to its Customers; and if adequate maintenance requires the
