(3) Increase in Rates and Charges:

The contract and unit charges will be increased by the effective percentage increase set forth on the "Statement of Percentage Increase in Rates and Charges Applicable to the Gas PLUS Plan" (Statement) filed with the Public Service Commission apart from this Rate Schedule. The effective percentage increase reflects the aggregate percentage rate of taxes imposed on the Company's revenues within the municipality where service is supplied as of the date stated on the Statement and explained in General Information Section VIII "Increase in Rates Applicable in Municipality Where Service is Supplied". The unit charges and the contract charges will be subject to adjustment if the effective percentage increase determined in accordance with General Information Section VIII, excluding the one-time adjustments applicable to the effective percentage increase to reconcile the tax surcharge expenses imposed pursuant to State Tax Law Sections 186, 186-a, and 188, changes by one percent or more from the effective percentage increase shown on the Statement filed with the Public Service Commission.

(4) Statement of Percentage Increase in Rates and Charges Applicable to the Gas PLUS Plan:

The "Statement of Percentage Increase in Rates and Charges Applicable to the Gas PLUS Plan" (Statement) sets forth the applicable effective percentage increase in effect for the various municipalities served by the Company. The Company will file with the Public Service Commission, apart from this Rate Schedule, a revised Statement not less than fifteen business days before the date on which the Company proposes to change the effective percentage increase applicable to this program. A copy of the Statement in effect will be available to the public at the Company's service centers at which application for service can be made.
