PSC No:4 Gas	Leaf: 169
Corning Natural Gas Corporation	Revision: 1
Initial Effective Date: 12/01/2005	Superseding Revision:

## Rate

The following rates are applicable to all gas delivered to each separate customer location. Where a customer takes such service at multiple locations, the volumes at such different locations will be considered separately for calculation of the rates.

(Per Month)	(Rate)
Unreserved	
First 300 Cu. Ft. or Less	\$ 11.32
Next 4,700 Cu. Ft Per 100 Cu. Ft.	.37380
All Over 5,000 Cu. Ft Per 100 Cu. Ft.	.23620

A per unit balancing charge as described in General Information Section 24-B will be added and the rate will be provided in a monthly statement to be filed with the Public Service Commission. Billing shall be in accordance with General Information Section 24C.

## Reserved

The specific rate for reserved service shall be calculated monthly and shall be filed with the Public Service Commission. The Rate shall be equal to the above rates for unreserved status plus the difference between the average cost of gas and the commodity cost of gas as included in the monthly gas cost calculation.

## Increase in Rates and Charges

Above rates shall be subject to increase in accordance with Paragraph 24A, Page 79. Above rates shall also be increased to include the Takeor-Pay surcharge and transition cost surcharge described on Pages 75 and 76. In addition to the above rate, a per unit surcharge based on the pro-rata share of the Cove Point LNG amortization charge billed by the Company's suppliers, which may be adjusted to reflect any significant changes in supplier billings. Prior to any change in the surcharge rate, a detailed statement will be filed with the Public Service Commission. A per unit charge (transition surcharge) shall also be added to collect the Company's stranded capacity costs as described on Leaf 78. The rate will be provided in a monthly statement to be filed with the Commission.

## Application of Deliveries

All volumes consumed by customer shall be billed at the above rates. Additional volumes consumed by customer over volumes received for customer's account shall be accounted for and billed in accordance with Specific Provision No. 10 contained herein.
