Term

Application for service under this Rider will be accepted through September 30, 2008. To become effective on the first day of the next billing cycle following acceptance by Company and to continue for benefits or certification up to a maximum of twelve years.

An applicant may continue to receive the full benefits of this Rider for twelve years from the first billing period provided that from the end of such twelve year period that benefit will be reduced annually by one-fourth commencing at the beginning of each subsequent twelve-month period until the end of the benefit period.

Rate

Service Classification No. 2:

- (a) For new Service Classification No. 2 customers the applicable monthly distribution rates for gas service in excess of 250 therms per month shall be reduced by an amount equal to 50% in excess of 250 therms. Monthly consumption less than or equal to 250 therms shall be billed at the applicable Service Classification No. 2 rates and charges.
- (b) For customers presently taking service under Service Classification No. 2 the rate reductions shall only apply to that portion of the customer's monthly consumption in excess of their established base consumption described herein and shall be computed in the manner described above.
- (c) All monthly gas consumption not meeting the discount qualifications of this Rider shall be billed at the applicable Service Classification No. 2 rates and charges.
