**35. FORM OF SERVICE AGREEMENT APPLICABLE TO AGGREGATED INTERRUPTIBLE  
GAS TRANSPORTATION AND STANDBY SALES SERVICE  
- AGGREGATION (SERVICE CLASSIFICATION No. 9)**

AGREEMENT made and entered into for interruptible gas transportation and standby sales service by and between Central Hudson Gas & Electric Corporation, (herein called the Company) and Customer Buying Group (herein called the Customer).

WITNESSETH: That in consideration of the mutual covenants herein contained, the parties hereto agree that the Company will transport gas and provide standby sales service up to the Customer's MDQ, for qualified customers, and the Customer will deliver to the Company natural gas for such transportation during the term hereof.

The Customer agrees that service supplied under this Agreement will be taken and paid for by the undersigned in accordance with the rules and regulations, and at the rates contained in the Company's tariffs and schedules as filed from time to time with the Public Service Commission of the State of New York. The name, account number, pre-determined monthly and daily contract quantities, name of Retail Supplier and authorization for each party to this agreement will also be included as an attachment to this service agreement.

If extension or reinforcement of distribution main facilities is required for transportation service, Customer agrees to prepay to the Company the total costs of such additional facilities. All customers opting for service under this service classification on and after September 1, 2004 are required to agree to have automated meter recording equipment furnished and installed by the Company at the Customer's expense. The Customer agrees to prepay to the Company the costs of the automated meter recording equipment. The Customer shall furnish an electrical supply and phone line necessary for the operation of the equipment, in an area which is acceptable to the Company.

Effective March 1, 2006, all customers taking service under this service classification prior to September 1, 2004 are required to have automated meter recording equipment furnished and installed by the Company at the Company's expense. In addition, the Customer shall furnish an electrical supply and phone line necessary for the operation of the equipment, in an area which is acceptable to the Company.
