RATE (Cont'd)

2. **Balancing: Charges for Over- and Under-Deliveries** (Cont'd)

B. **Monthly Balancing** (Cont'd)

II. **Under-deliveries** (Cont'd)

On any day in which the customer's usage is greater than customer-owned gas delivered to the system, such daily excess use will be delivered on an as available basis only. If the customer has been given 12 hours advance notice by the Company of the need to curtail the excess usage, on a particular day, any daily excess use on that day greater than ten percent (10%) of that day's metered usage will be subject to a \$25.00 per Mcf penalty plus the highest price of natural gas purchased by Central Hudson during the curtailment period.
