GENERAL INFORMATION

2. How Service May Be Obtained: (Cont'd.)

B. Extension of Facilities (Cont'd.)

(3) Additional Obligations of Residing Applicants: (Cont'd.)

- (f) Customers currently paying a surcharge where service application was received prior to November 21, 1993 may, at their option, convert to either a lump sum or ten year payment plan with prior payments credited. The conversion will be calculated as though the surcharged customer had been on a ten-year payment schedule from the time his existing surcharge commenced. Any such customer who has made surcharge payments for ten years or more on an individual facility, will be considered as having made payment in full for that specific facility.

(4) Additional Obligations of Non-Residing Applicants:

Before service is provided, a non-residing applicant shall comply with the requirements required of all applicants (Section 2.B.(2)) and in addition shall have:

- (a) cleared any right-of-way conveyed to the utility of tree stumps, brush and other obstructions and graded such right-of-way to within six inches of final grade at no charge to the Corporation where electric distribution lines, service lines, or appurtenant facilities are required to be installed underground or will be placed underground at the request of the applicant,
- (b) provided a survey map certified by a licensed professional engineer or land surveyor and certified to as final by the applicant, showing the location of each dwelling (if known), lot, sidewalk and roadway.
- (c) placed and agreed to continue to maintain survey stakes indicating grade and property lines,
- (d) furnished to the Corporation or agreed to furnish a map showing the location of all existing and proposed underground facilities, as soon as the location of such facilities is known, and prior to commencement of construction by the Corporation,
- (e) agreed to maintain the required clearance and grading during construction by the Corporation,
- (f) if required by the Corporation, paid contributions and deposits in accordance with 2.C.(4) and 2.C.(10).
