OTHER BILLING, COLLECTION SERVICES, AND CHARGES: (continued)

2. When the Company establishes a Marketer initiated disconnection of service for non-payment of charges at the same meter location where the service was disconnected for non-payment of bills, a service re-establishment charge will be made in addition to all other charges under this schedule. The following charges will be assessed for each service that was discontinued at the meter or at the outside service valve:
 - a. When a Marketer specifies service be re-established to a customer during normal business hours, a service re-establishment charge will be assessed regardless of the time the service is re-established. The charge applicable to all Marketers will be \$52.32.
 - b. When a Marketer specifies service be established to a customer during other than normal business hours, a service re-establishment charge will be assessed. The charge applicable to all Marketers is \$154.45.
 - c. For purposes of this Rule, normal business hours are considered to be from 8:00 a.m. to 4:00 p.m., local time, Monday through Friday, excluding holidays.

F. Marketer Requested Calculations of Full Utility Service Bills

1. The Company will charge the Marketer \$2.00 per bill, per month, per service for each residential account if a Marketer requests the Company to calculate a bill as if the customer had purchased gas supply from the Company.
