F. Minimum Insulation Standards (Continued)

An applicant for gas service to a new residential dwelling in an area in which a building permit is not required must provide to the company a certificate of compliance in the following form:

Certificate of Compliance
New Residential Construction

The undersigned certifies that the

_____ 1 or 2 family residence _____ multi-family residence

at _____

is or will be, not later than 30 days after time of occupancy, in compliance with one of the following statute provisions (check one):

- _____ Part 1:E101.6
_____ Part 3 New York State Energy Conservation
_____ Part 4 Construction Code
_____ Part 5
_____ Appendix A, Option 77-10, Minimum Insulation Standards, New York State Public Service Commission (applies only to buildings on which construction began between April 1, 1977 and January 1, 1979).

It is understood that gas service will, depending on the applicable circumstances, not be connected, be subject to a 25 percent surcharge on the utility bill until all violations are eliminated, or be disconnected, if, upon inspection, the structure is found not to be in compliance with the conditions set forth above.

The undersigned certifies that a properly executed copy of this certificate will be delivered to the owner prior to closing and further attests that all statements and representations contained in this certificate are true and accurate.
