

PSC No:4 Gas
Corning Natural Gas Corporation
Initial Effective Date: 10/01/2003

Leaf: 67
Revision: 0
Superseding Revision:

- (f) If an interruptible transportation Customer requires, for physical rather than economic reasons, transportation capacity that would be used for service to higher ranking sales Customers, and if the Company can render the affected sales service through alternate arrangements, such capacity may be allocated to the interruptible transportation Customer, provided that the allocation does not adversely affect sales services, and provided that the Customer shall reimburse the Company for any incremental operating and gas purchase costs.
- 5. For the purposes of the above requirements, the following definitions shall apply:
 - (a) Residential customers shall include any buildings heated solely by gas where persons reside, including apartment houses, prisons, dormitories, nursing homes, hospitals and hotels.
 - (b) Industrial customers shall include all customers who utilize gas, including utilization for space heating, for the manufacture or processing of goods and materials.
