

PSC No:4 Gas  
Corning Natural Gas Corporation  
Initial Effective Date: 10/01/2003

Leaf: 163  
Revision: 0  
Superseding Revision:

- A. The Term of Service. The negotiated term of the Service Agreement shall be at least 12 months. Contracts offering fixed prices are generally limited to a term of no longer than seven years, unless a longer term is approved by the New York State Public Service Commission.
- B. The Character of Service terms.
- C. The Rates and Charges to be paid for service rendered.

Service under this Service Classification may be terminated immediately at the Company's option for material breach of the provisions of their Service Agreement. Such customer's load will be eligible for service under the otherwise appropriate Service Classification.

CONTRACT ADDENDA:

A summary of each individually negotiated Service Agreement with customers taking service under this Service Classification will be added to the tariff.

OTHER TERMS AND CONDITIONS:

Transportation service will be provided under this Service Classification in accordance with all other terms and conditions as described in Service Classification No. 6 or 7 - Firm Transportation of Customer-Owned Gas, except as specifically noted above.

The Company shall require the Customer to pay for any new facilities necessary for service, including meter and meter installation.
