## SCHEDULE A

### SERVICE-POINT DISTRIBUTION SERVICE (Cont'd)

**MINIMUM CHARGE:**

For each service point, see Appendix A for the minimum charge applicable to each service classification.

**INCREASE IN RATES AND CHARGES:**

The rates and charges under this Schedule, including any adjustments and minimum charge, are increased by the applicable effective percentage shown in Rule 5.E for service supplied within the municipality where the Retail Customer is taking service.

**TERMS OF PAYMENT:**

All bills are rendered at the rates stated in the applicable appendix. Refer to Rule 5.D for further information regarding payment terms.

**TERM:**

Service to the Distribution Customer may be voluntarily discontinued upon fifteen (15) calendar days' written notice to the Distribution Provider or in agreement with terms in the Distribution Operating Agreement.

**SPECIAL PROVISIONS:** The Distribution Customer shall assist the Distribution Provider in maintaining the following provisions of its Retail Customers' service. The following Service Classifications define the characteristics and special provisions that apply to each available type of service under Schedule A. One of the following Service Classifications shall be assigned to each service point. The Distribution Customer is responsible for selecting the Service Classification which may be most appropriate to the requirements of the service point. The Distribution Provider makes no warranty, express or implied, as to the propriety of any Service Classification determination by a Distribution Customer or the Service Classification appropriate to the future service requirements of the Retail Customer. If the Retail Customer's use of service or equipment changes in the future, the Distribution Customer must notify the Distribution Provider of these changes to ensure that the Distribution Customer is being billed properly.
