SERVICE CLASSIFICATION NO. 1 (Cont'd)

STREET LIGHTING SERVICE

SPECIAL PROVISIONS: (Cont'd)

 d. Remove existing lamps, fixtures and circuits (except poles and conduit system installed, owned or maintained by customer) upon written request of the customer, provided that, the customer shall pay the Company the actual cost of labor and material, including applicable overhead expenses, incurred in such removal, plus the unamortized investment for the removed items less salvage equipment value.

 e. Make changes in the location of existing lamps, fixtures and circuits (except poles and conduit system installed, owned or maintained by customer) upon written request of the customer, provided customer shall pay to the Company the actual cost of labor and material, including applicable overhead expenses incurred in such relocation. Customer shall not be required to pay the cost of relocating lamps, fixtures or circuitry from locations other than those theretofore approved by the customer.

 f. Upgrade the existing street lighting system (except poles and conduit system installed, owned or maintained by customer), by replacing any of the lamps, fixtures and circuitry at the written request of the customer. However, the foregoing (1) shall not be applicable to existing items unless customer agrees to pay Company's cost of removal in accordance with Special Provision 1d; and (2) shall not obligate the Company to expend in any calendar year, for any customer, an amount greater than 5% of its existing investment (on an original cost basis) in street lighting plant installed for such customer for all costs in connection with such replacements, including labor, materials, applicable overheads and additions of conduit, cable, poles, wire and other appurtenances.
