The Customer shall have ninety (90) days from the date of notification to request that the AMR device remain at the Customer's service point. Upon notification to the Company, the Customer will be assessed a one-time charge per AMR recorder of \$482.00, and the monthly fee of \$20.75. If notification from the Customer is not received during such ninety (90) days, the Company may replace, at the Company's discretion, the AMR recorder with a meter compatible with the Company's metering infrastructure, at no cost to the Customer.

If transfer of such telephone charges is not completed by such date, or subsequent AMR usage data is unobtainable due to non-payment of telephone charges by the Customer, the Company, may at its own discretion, replace the AMR recorder at the service point with a meter compatible with the Company's metering infrastructure.
