

PSC NO. 4 GAS LEAF: 141.4
ORANGE AND ROCKLAND UTILITIES, INC. REVISION: 1
INITIAL EFFECTIVE DATE: February 1, 2005 SUPERSEDING REVISION: 0

SERVICE CLASSIFICATION NO. 8 (Cont'd.)

SPECIAL PROVISIONS: (Cont'd.)

(I) New Interruptible Customer Eligibility Requirement

Customers commencing service under this Service Classification on or after February 1, 2005, must, in addition to the other requirements of this Service Classification, demonstrate to the Company's satisfaction annual gas consumption of at least 35,000 Ccf at a single meter.

Unless the Company possesses sufficient usage history to determine eligibility for service under this Service Classification, the customer shall provide the Company with a reasonable estimate of the customer's annual gas usage. In the event a customer does not provide the Company with the required information to determine the customer's eligibility for service hereunder, the Company will attempt to estimate the customer's annual gas usage using the best available information. A customer may be denied service under this Service Classification if the customer fails to supply the information required to determine initial eligibility.
