

PSC No:4 Gas
Corning Natural Gas Corporation
Initial Effective Date: 11/19/2004

Leaf: 203
Revision: 0
Superseding Revision:

facilities are inadequate, the customer shall be responsible for all incremental costs incurred by the Company. DG customers shall be charged for additional facilities pursuant to the Company's existing rules set forth in the Company's tariff.

- B. The Company reserves the right to reject any application for service under this Service Classification where, in the sole discretion of the Company, the provision of service would or might result in a reduction in the Company's rights or ability to receive service, purchase gas or utilize capacity on the transmission system of its pipeline supplier(s), impair or interfere with the Company's operations, or impose costs in excess of those subject under these rates.
- C. Each Customer under this Service Classification warrants that it will, at the time the Company receives the gas for transportation, have good and merchantable title to all such gas free and clear of liens, encumbrances and claims whatsoever. The customer shall indemnify the Company and save it harmless from all suites, actions, debts, accounts, damages, costs, losses and expenses arising out of the adverse claims of any or all persons to said gas including claims for any royalties, taxes, license fees, or charges applicable to such gas or to the delivery of such gas to the Company for transportation.
