(b) The Marketer shall notify the Company by fax within 24 hours of the issuance of the pipeline OFO of his inability to deliver scheduled volumes due to operational constraints.

(c) Marketer shall pay a standby fee for the five months November-March at the rate of $4.87 per Mcf times the aggregate peak month average day volume for his aggregate group.

d) The Marketer must notify the company of its termination of commodity service in accordance with Public Service Law 32 (5) (a) (i), including sufficient documentation to establish that the Marketer termination complied with Home Energy Fair practices Act conditions. Such notice shall contain s statement that suspension of delivery services may occur coincidentally with termination of commodity service, along with a statement of the amount that must be paid to avoid termination and, if different, the amount that must be paid to avoid suspension of delivery service.

e) Marketer shall be charged a disconnect fee of $30.00 when the company disconnects gas service to a customer for non-payment of commodity charges initiated by a marketer. Such fee shall be $15.00 if the customer is in arrears to both m\Marketer and the Company.

f) A Marketer initiated suspension of delivery service shall end upon payment of the lesser of the amount the customer would have paid to the company for delivery and commodity service or the amount due the Marketer plus the amount due the company.

At the request of the Marketer, the company will calculate the amount the customer would have been billed by the company for commodity and delivery service if the company had been providing both services. The fee for each calculation request, per account, will be $4.50.
