Leaf No. 95  
Revision: 8  
Superseding Revision: 7

### **SERVICE CLASSIFICATION NO. 13**

#### **RESIDENTIAL FIRM AGGREGATION TRANSPORTATION SERVICE**

##### **APPLICABLE TO THE USE OF SERVICE FOR:**

Residential Firm Aggregation Transportation Service to existing firm sales service customers or new firm customers with minimum aggregation quantities for transportation of greater than 5,000 Dth per year when the Company has facilities and capacity available and adequate for the load.

##### **CHARACTER OF SERVICE:**

Transportation of Customer-owned, pipeline quality, natural gas will be on a firm basis from a receipt point within the Company's service territory to which this Schedule applies to the facilities at the Customer's existing delivery point. The Company will control the dispatch of such gas, and dispatch will be provided as requested by the Customer, in accordance with General Information Section 5.C. of this Schedule, provided, however, that acceptance of the Customer's application will be conditioned upon the availability of the Company's system capacity.

Customers taking service under this service classification shall be segmented into two (2) groups - those who are daily metered and those who are not. Aggregated pool groups will be homogeneous with respect to customers who are daily or non-daily metered.

##### **PRICE: (Per Month)**

For customers who elect firm aggregation transportation service, the monthly price will be the Transportation Administration Charge, which through September 30, 2008, includes the first 2 Therms or less, per meter, for the Binghamton area plus the transportation price applicable for the Binghamton Area, and the first 3 Therms or less, per meter, for all other areas plus the transportation price applicable for all the other areas. Effective October 1, 2008, the Transportation Administration Charge will be the first 3 Therms or less, per meter, for all areas.
