GENERAL INFORMATION - Continued

VI. Service Classification Riders (Available on Request) - Continued

RIDER J
Applicable to Service Classification Nos. 1, 3, and 9
(Subject to the provisions thereof)

Residential Distributed Generation Rate

(G) Special Provisions - Continued

(2) Separate service lines will not be required for distributed generation service and non- distributed generation service under this Rider. However, if existing services and/or upstream distribution facilities are inadequate, the Customer shall be responsible for all incremental costs incurred by the Company. Customers taking service under this Rider will be charged for additional facilities pursuant to the provisions in the Company's Gas Tariff.

(3) Firm Transportation Customers otherwise eligible for service under Service Classification No. 9 of this Rate Schedule will be subject to the applicable balancing service options set forth in Service Classification No. 9. All customers taking service under this Rider shall be subject to the same procedures for the "Curtailment of Service" as set forth in General Information Section III, 14. of this Rate Schedule applicable to other similarly situated firm residential customers of this Rate Schedule.

(4) The Customer shall provide the Company access to its premises, at all reasonable times, to verify and inspect the installation and operation of the Customer's Distributed Generation Facility in accordance with Paragraph (C)(1) of General Information Section III.8.
