**SERVICE CLASSIFICATION NO. 9 – Continued****TRANSPORTATION SERVICE - Continued****Miscellaneous Provisions – Continued**

A Customer who was sent written notice of its failure to comply with interruptions on two or more occasions during the 2003-2004 Winter Period must fully interrupt its gas usage during every one of the Company's interruptions during the 2004-2005 Winter Period. Failure of such a Customer to comply with even one interruption (except for one documented case of equipment failure, as described above) will result in the Company transferring that Customer to the otherwise applicable Firm Service Classification commencing with the next billing month (unless the Company has received written notification that the Customer has chosen instead to have its gas service terminated at that time). The Customer will not be permitted to return to Interruptible or Off-Peak Firm service for the remainder of the current Winter Period plus the next twelve succeeding months. For periods thereafter, the Customer may reapply for Interruptible or Off-Peak Firm service not less than 90 days prior to the proposed commencement date, except that the Customer may not request a commencement date that falls within the period from November 1 through March 31.

Furthermore, any Customer(s) for whom the Company must first install additional facilities in order to render Firm service or where the Customer elects to terminate gas service and additional facilities are required for the provision of ignition fuel only, the Company will establish appropriate arrangements for the installation of such facilities.

In addition to all other remedies available to the Company, the Company reserves the right to discontinue service immediately, temporarily or permanently, to the Customer or to the premises where there is a violation or any failure to comply with any of the provisions of this Service Classification, the Company's Operating Procedures, or this Rate Schedule.
