POWER FACTOR:

All Customers receiving three phase service shall maintain a power factor at the point of delivery of not less than ninety percent (90%) lagging or leading as measured on a monthly basis. If Customer is notified that the power factor has fallen below ninety percent (90%), corrective action must be taken within 90 days. If action is not taken, the necessary corrective equipment will be installed by the Utility and the Customer will be billed for all costs incurred to correct the power factor to the required level.

TERMS OF PAYMENT:

All bills are due when personally served or 3 days after the mailing of the bill and may be paid in full on or before the "DUE DATE" specified on the bill, which shall be at least 20 days after the date on which the bill is rendered. A monthly late payment charge will be assessed at a rate of one and one-half percent (1½%) on a Customer's unpaid balance, including service billing arrears and unpaid late payment charges. Remittance mailed on the "DUE DATE" will be accepted without the late charge, the postmark to be conclusive evidence of the date of mailing. The failure on the part of the Customer to receive the bill shall not entitle him or her to pay without the late payment charge after the "DUE DATE."
