6. Assignee acknowledges that Assignor will not seek TransCanada's consent to this Assignment and that Assignor accordingly is and will remain obligated to TransCanada to perform and observe the covenants and obligations of shipper that are contained in the FT Contract in regard to the Assigned Volume insofar as TransCanada is concerned. Consequently, Assignee will indemnify Assignor for and will hold Assignor harmless for all charges that TransCanada may be entitled to collect from Assignor under the FT Contract in regard to the Assigned Volume in the event that Assignee fails to pay them. The scope of this indemnity shall include all gas imbalances (as defined in the General Terms and Conditions in TransCanada's Transportation Tariff) and energy-in-transit balances associated with the Assigned Volume, to the extent that Assignor is held responsible therefore by TransCanada.
