GENERAL INFORMATION

2. General Rules, Regulations, Terms and Conditions: (Cont'd)

XV. Forms: (Cont'd)

D. Form of Application for Outside Gas Service Piping:

St. Lawrence Gas agrees to perform the work necessary to fulfill the terms of the attached contract under the following conditions.

1. The undersigned owner acknowledges the following hazardous wastes existing at or in the vicinity of the location of the proposed excavations.

2. If St. Lawrence Gas or its representatives encounter hazardous wastes while performing the work or if St. Lawrence Gas discovers the extent or nature of contamination varies significantly from the owners information provided above, the owner and St. Lawrence Gas agree that the scope, schedule, and fees required to complete the work are subject to change.
3. If reportable quantities of petroleum products or chemical contamination is encountered on the owners property during the performance of the work, the appropriate local, state, and/or federal agencies will be notified immediately, as required by law.
4. The undersigned owner shall maintain ownership and responsibility for all hazardous or contaminated materials uncovered and/or collected on the owner's property during performance of the work.

I hereby certify that I have read and do understand the conditions listed above.
