## GENERAL INFORMATION

### 2. General Rules, Regulations, Terms and Conditions: (Cont'd)

#### II. How Service May Be Obtained: (Cont'd)

##### G. Customer's Piping and Equipment:

1. The applicant must, at his own expense, equip his premises with such piping and fixtures as may be necessary for the proper utilization of the company's gas service. Such piping and fixtures shall comply with the rules and regulations of the company and the requirements of the governmental authority having jurisdiction thereof. Upon application for service and/or indication of leakage, the company may inspect all house lines, piping, connections, and equipment in which gas supplied by the company is to be used and no gas will be supplied until any or all defective conditions are corrected to the satisfaction of the company.
2. The company reserves the right to change the character of the gas furnished, pursuant to law and the provisions of this rate schedule, subject to the lawful jurisdiction of the Public Service Commission.
