GENERAL INFORMATION

2. General Rules, Regulations, Terms and Conditions: (Cont'd)

II. How Service May Be Obtained: (Cont'd)

K. Main Extensions: (Cont'd)

2. The surcharge shall be reduced by 50 percent of adjusted gas revenues (adjusted gas revenues as used herein shall be the revenues realized from the applicable service classification rates and charges less the minimum charge, revenue taxes, and the cost of gas. The cost of gas shall be computed by multiplying the average cost of gas per unit - as used in the purchased gas adjustment calculation - by the units of gas used), but the credit shall not exceed the amount of the surcharge as determined above.
3. Whenever more than one customer is connected to a main extension, the surcharge shall be so adjusted that the company shall not receive in any one calendar year a greater percentage from all customers served from the main extension than that applicable to such extension. The surcharge will be reasonably allocated among the customers being served from the main extension, taking into account the portion of mains and appurtenant facilities which the company is required to provide without charge to each customer served from such facilities.
4. Each surcharge shall cease:
 - a. Whenever the length of a main extension required to be provided without charge to all customers served from such extension shall equal or exceed the total length of such extension;
