## GENERAL INFORMATION

### 2. General Rules, Regulations, Terms and Conditions: (Cont'd)

#### I. Definitions: (Cont'd)

##### J. Non-Residential Customer or Applicant: (Cont'd)

13. Deferred payment agreement: A written agreement for the payment of outstanding charges over a specified period of time. It must be signed in duplicate by the Company representative and the customer, and each must receive a copy, before it becomes enforceable by either party.
14. Levelized payment plan: A billing plan designed to reduce fluctuations in a customer's bill payments due to varying, but predictable, patterns of consumption.
15. Backbill: That portion of any bill, other than a levelized bill, which represents charges not previously billed for service that was actually delivered to the customer during a period before the current billing cycle. A bill based on an actual reading rendered after one or more bills based on estimated or customer readings (commonly called a catch-up bill) which exceeds by 50 percent or more the bill that would have been rendered under the company's standard estimation program is presumed to be a backbill.
16. Tampered equipment: Any service related equipment that has been subjected either to unauthorized interference so as to reduce the accuracy or eliminate the measurement of the company's service, or to unauthorized connection occurring after the company has physically disconnected service.
