GENERAL INFORMATION

10. GENERAL RETAIL ACCESS - MULTI-RETAILER MODEL (Cont'd)

5. Metering:

(a) The metering requirements set forth in this Schedule apply here. Customers will continue to use existing meters.

(b) A Customer that does not take service under an economic incentive provision that requests a meter other than that provided by the Company, commensurate with the Customer's Service Classification, is subject to the additional requirements set forth in this Schedule. Meter upgrades, subject to the availability of equipment, will be installed and operated by RG&E at the Customer's expense.

(c) RG&E will continue to own, install, maintain, and read Customers' meters for billing purposes.

A schedule of meter upgrade charges shall be provided by RG&E upon the request of the Customer or its authorized designee. RG&E maintains a schedule of meter upgrade charges that covers standard metering options, and such schedule is available upon request.

(d) RG&E will perform meter readings in accordance with established reading cycles and current practices, and provide relevant meter reading information to the ESCO. Information provided to an ESCO may be used solely by the ESCO for the purpose of billing the Customer.
