GENERAL INFORMATION

16. Customer Advantage Program - General Retail Access: (Cont'd.)

D. Eligible Customer Participation: (Cont'd.)

11. Metering:

(d) (Cont'd.)

A schedule of meter upgrade charges shall be provided by NYSEG upon the request of the Eligible Customer or its authorized designee. NYSEG maintains a schedule of meter upgrade charges that covers standard metering options, and such schedule is available upon request.

- (e) NYSEG will perform meter readings in accordance with established reading cycles and current practices, and provide relevant meter reading information to the ESCO. Information provided to an ESCO may be used solely by the ESCO for the purpose of billing the Eligible Customer. ESCOs are also subject to the confidentiality requirements of this Program tariff set forth in Section 16.D.8 above.

- (f) If an Eligible Customer or an ESCO requests NYSEG to provide a meter reading on a day other than the scheduled meter reading date, the requesting party will be charged a fee of \$ 20 per customer location, per trip. Requests for Special Meter Reading dates must be made not less than ten (10) calendar days in advance of the requested meter reading date.
