

PSC No: 120 - Electricity
New York State Electric and Gas Corporation
Initial Effective Date: December 1, 2003

Leaf No. 183
Revision: 0
Superseding Revision:

SERVICE CLASSIFICATION NO. 5

APPLICABLE TO THE USE OF SERVICE FOR:

Outdoor lighting for residential and general service customers where applicable electric service is available.

CHARACTER OF SERVICE:

Unmetered service from dusk to dawn of approximately 4,200 hours per year. The Corporation will own, operate and maintain the facilities required and will supply the following types of service:

- (a) Overhead Service:
Luminaires will be mounted on available wood or fiberglass poles owned by the Corporation or on Corporation-approved customer-owned poles.
- (b) Underground Service:
Luminaires will be mounted on metal, fiberglass or wood poles owned by the Corporation or on Corporation-approved customer-owned poles using the Corporation's existing distribution facilities or where the Corporation is in the process of constructing a new underground distribution system. The customer will be responsible for the construction and maintenance of the underground wire, cable and conduit facilities dedicated to serving the underground lighting system. All such facilities will be constructed in accordance with Company standards. Poles, luminaires, brackets and screw-in bases will be installed and maintained by the Corporation, unless the customer elects to pay for such facilities and be billed therefore under Special Provision K "Contributory Provisions". Energizing or de-energizing of any such underground system will be the responsibility of and performed only by the Corporation. The Company reserves the right to refuse service to any part of such customer-provided facility that does not meet general Corporation specifications.

RATE CHOICES AVAILABLE TO CUSTOMERS:

Pursuant to NYSEG's Electric Rate Plan and Customer Advantage Program, General Information Section 12 of this Schedule, customers served under this Service Classification will choose from four different electric rate choices offered by the Company as described below. NYSEG will offer two Retail Access rate choices and two Non-Retail Access rate choices.

The two Retail Access choices (1 and 2 below) consist of the Competitive Supplier Price (also known as the ESCO Rate Option ["ERO"] in the Electric Rate Plan), and the NYSEG Fixed Price with Supply Credit (also known as the Bundled Rate Option with Retail Access ["BRO w/RAC"] in the Electric Rate Plan). The two Non-Retail Access choices (3 and 4 below) include the NYSEG Fixed Price (also known as the Bundled Rate Option ["BRO"]), and the NYSEG Variable Price (also known as the Variable Rate Option ["VRO"]).
