(7) Competitive Retail Choice Credits:

A Firm Transportation Customer receiving service under Rate (A) of this Service Classification who is taking either Load Following, Daily Delivery Service or Daily Cashout Service will be credited with a Competitive Retail Choice Credit ("CRCC") of 2.4 cents per therm over the period October 1, 2004 through September 30, 2005. The CRCC will be reflected as a separate credit to the Monthly Rate Adjustment under Rate (A) and set forth on the Statement of Rate for SC No. 9 in effect over that period. The CRCC does not apply to any transportation customers taking service under Rates B-D of this Service Classification.

The Company shall calculate the total CRCC's credited monthly on firm transportation customer bills, less 0.12 cents per therm times the applicable monthly transportation volumes for the Rate Year between October 1, 2004 and September 30, 2005 ("Net CRCC's"), and recover the Net CRCC's through the Transition Adjustment for Competitive Services as explained in General Information Section IX.6.

(8) Transition Adjustment for Competitive Services:

A Transition Adjustment for Competitive Services, per therm, will be applied to the bills of Customers receiving firm transportation service under Rate A of this Service Classification as explained in General Information Section IX.6.
