SERVICE CLASSIFICATION NO. 4

GENERAL SERVICE - ECONOMIC DEVELOPMENT

PURPOSE:

This Service Classification is designed to attract business relocation or expansion to the Company's service territory by offering a discount to a customer's service bill, over a specified period, for new or additional load.

ELIGIBILITY CRITERIA:

Any new or existing customer who meets all eligibility requirements stated below shall be eligible to take service in accordance with the rates, charges and provisions set forth under this Service Classification.

Requirements

- (1) Customer is eligible to take service under Service Classification No. 1 - General Service, a non-Retail Access Rate, or Service Classification No. 3 - Large General Service, a Retail Access Rate, whose use is non-residential in nature, and
- (2) Customer adds at least 50,000 therms of annual requirement to the Company's system by (a) constructing a new facility; or (b) expanding an existing facility; or (c) adding facilities or equipment to an existing site; or (d) adding facilities (regardless of size) through the redevelopment of a vacant or inactive site, including land or buildings which have been previously developed and have been vacant or inactive for at least six months and which are proposed for reuse or redevelopment with the assistance of public financing; or (e) developing facilities or projects (regardless of size) which are located in areas eligible to receive Urban Development Action Grants, and
- (3) Customer has a viable option to locate its facility or equipment outside the Rochester Gas and Electric service territory, and provides evidence to the Company's satisfaction of such an option, subject to an agreed-upon confidentiality agreement, and
- (4) Customer shall apply for service under this Service Classification prior to the addition of load as described in Requirement (2) above.

CHARACTER OF SERVICE:

Customers must meet the Character of Service requirements stated in Service Classification No. 1 - General Service, or Service Classification No. 3 - Large General Service. The energy to be provided under this Service Classification will be determined by subtracting from the total metered gas consumption a base amount to be determined using a historical period. The Company reserves the right to require submetering of the additional load.
