SERVICE CLASSIFICATION NO. 8 (Cont'd.)

SPECIAL PROVISIONS: (Cont'd.)

(F) Customer Responsibilities (Cont'd.)

(2) Reserve Requirements (Cont'd.)

- (b) New customers commencing service under this Service Classification on and after December 1, 2001, must, in addition to meeting the other requirements above, have three days or more of on-site inventory of alternate fuel, based on the customer's peak winter requirements as determined in accordance with the Company's Gas Transportation Operating Procedures.
- (c) Other interruptible customers must maintain reserve levels acceptable to the Company.

A customer with an inadequate alternate fuel reserve that fails to interrupt gas service at any time during the first 10 days of interruption in any Winter Period or who has an inadequate alternate fuel reserve as of November 1 of each year shall be subject to the Charge for Inoperable Alternate Fuel/Energy Facilities or Inadequate Fuel Reserves as set forth in Special Provision G (3) of this Service Classification.

(G) Provisions Relating Interruptions

(1) Failure to Interrupt

Customers that fail to fully interrupt their use of gas for any two interruption periods (including any Company announced planned interruptions)("two-violation rule") during each Winter Period will thereafter be ineligible for service hereunder and will be transferred to Service Classification No. 1, 2, or 6, whichever is applicable, commencing with the first billing month following the month in which the second violation occurs, unless the Company has received written notification requesting that the service be disconnected and the Company has verified that that it has been disconnected and locked. A customer's failure to fully interrupt its gas use during an interruption will not count towards the two-violation rule if it qualifies for the one-time exception rule described below. Customers removed from this Service Classification because of the two-violation rule will be ineligible for service under this Service Classification for the remainder of the current Winter Period plus the next twelve succeeding months. For periods thereafter, the customer may reapply for service under this Service Classification not less than ninety days prior to the proposed commencement date, except that the customer may not request a commencement date that falls within the Winter Period.
